The Plague’s Grip on Wuchang’s Mind

As Wuchang, you find yourself lost in the misty swamps of her home village, struggling to recall even the simplest memories. The villagers, once dear friends and family, now seem like distant strangers. Your only solace lies in the worn leather armor adorned with feathers and strange symbols, a gift from an unknown benefactor who whispers cryptic warnings in your ear. You’ve learned to wield the katana with deadly precision, but the line between friend and foe blurs as you delve deeper into the cursed world.

Combat Tactics Unlocked

- **Stealthy Ambushes**:** Employ the shadows to catch enemies off guard
- **Piercing Strikes**:** Utilize your katana’s deadly reach

to decimate foes• Magical Burst:** Channel the power of ancient rituals to unleash devastating spells
